Hello,

My name is Lieutenant Emada Tingirides from the Los Angeles Police Department. I am the Officer in Charge of the Unified Homelessness Response Center. I was on the Adverse Weather Conference Call today but my telephone connection was not very well. I wanted to share the following information on LAPD/UHRC efforts:

The LAPD Central and Valley Bureau Homeless Outreach and Proactive Engagement Teams are partnered with LAHSA today and conducting Outreach and Education along the Riverbed. The Officers and LAHSA HET workers are also distributing Flood Warning flyers. The LAPD Valley Bureau Off Road Motor Vehicle Unit is also conducting extra patrol, education and Outreach in the Griffith Park river area, Ora Vista Big Tijunga Wash and the Sepulveda Basin. The officers are warning unsheltered individuals of the pending rain, distributing flyers and shelter information.

Matthew Tenchavez from LAHSA will be the point of contact for off hour outreach assistance for unsheltered individuals (213) 503-8081. Commander Dominic Choi will be the LAPD off hour contact for homeless related issues that need immediate attention, conference calls for situational updates, etc. (213) 272-8042 If there is a public safety issue or an emergency that requires PD response our LAPD Communications Center should be contacted for dispatch of a patrol unit.

Please let me know if you have any questions,

Take Care,

Emada
